Insert the following code into the head section of the page.

```
<script type="text/javascript" src="https://ajax.googleapis.com/a
jax/libs/jquery/1.8.0/jquery.min.js"></script><script type="text/
javascript" src="https://blockchain.info/Resources/js/pay-now-but
ton.js"></script>
```

Insert the following html code at the position where you would like the button to appear

```
<div style="font-size:16px;margin:0 auto;width:300px" class
="blockchain-btn"
     data-address="1933phfhK3ZgFQNLGSDXvqCn32k2buXY8a"
     data-shared="false">
    <div class="blockchain stage-begin">
        <img src="https://blockchain.info/Resources/buttons
/donate_64.png"/>
    </div>
    <div class="blockchain stage-loading" style="text-align
:center">
        <img src="https://blockchain.info/Resources/loading
-large.gif"/>
    </div>
    <div class="blockchain stage-ready">
        <p align="center">Please Donate To Bitcoin Address
: <b>[[address]]</b></p>
        <p align="center" class="qr-code"></p>
    </div>
    <div class="blockchain stage-paid">
        Donation of <b>[[value]] BTC</b> Received. Thank Y
ou.
    </div>
    <div class="blockchain stage-error">
        <font color="red">[[error]]</font>
    </div>
</div>
```
